Juelz verse 1:

Im Feeling like a

black republican

nah i cant call it

more like a black democrat

runnin them out of office

young Barack Obama im all for it

the rock of Gibraltar is now fallin on ya

i protect my land like a farmer

pockets stay chubby like toccara

or should i say fat like the parkers

tote big guns like im still playin contra

ya'll washed up like money thats laundered

yall funny im bonkers honest

girl strapped to my dick like a harness

rockstar flyer then an ostrich

and i cover east,west,north,south like a compass

i shall shine forever never tarnish

money buried behind my house like a garden

all green my bank accounts like a forest

i cant feel my face is gettin started and weezy is my  
accomplice (yea) a black activist like sonny carson

stripes of a sargent salute me

and chicks i get'em high higher then turbulences

white Phantom lookin so fergalicious

im from the city of big drugs and murder victims

its get rich go to jail or be a murder victim (AY!)

now all yall listen if you cant take the heat get out the kitchen

lil wayne verse 2:

I'm Feelin like a

Black Republican

Tote a mac in da public and

act so southern

die for my brotheren

money

money money like Money Mack and Publishing

One life to live never ask for a mulligan

Streets cold but the heat make ya feel covered and

been had cake day late like Ed Sullivan

Fly like a eagle but no,

I'm not Donovan

Boy ya better go eat some soup wit your mom and dem

And my mind is on anotha continent

I am real Cash Money no counterfeit

I don't parking lot pimp

I just politic

But I get all in her mouth like Polident

New Orleans' Representa to the enda

Come from the city where the glitta don't glimma

the sun don't shine

and the gunz don't sleep

wake a nigga ass up like he got somewhere to be!
