[Mike Posner]

Once I throw on this, once I throw on this
Its over girl
Once I throw on this, once I throw on this
Its over girl.

I hear you knock knock knock baby come on up
I hope you got got got something in yo' cup
Cause I'm three shots deep and I aint tryna sleep
Get your redbull on cause I'm ready

You've been playin hard to get with me all night
We both know exactly what you want right
Don't tell me what you won't do
Tell me what you gon' do, whatchu gon' do

Once I throw on this bowchickawowwow
Whatchu gonna say
You act like you gon leave
But I know that you gon' stay
Break it down dicky downdown
Girl dont even play
Once I set the mood right I'ma make sound like

I'ma make you sound like

Are you tryna make me late wait wait till the second
date
But I cant cant cant even comtemplate
Waiting one more minute lemme jump in it
I brought you flowers and a teddy

You've been playin hard to get with me all night
We both know exactly what you want right
Don't tell me what you won't do
Tell me what you gon' do whatchu gon' do

Once I throw on this bow chicka wow wow
Whatchu gonna say
You act like you gon leave
But I know that you gon' stay
Break it down dicky downdown

Girl dont even play
Once I set the mood right Ima make you sound like

Yeah I can make you sound like

[Lil Wayne]
I gotta leather couch
and a black mic
and we all alone
what it sound like
the night was dead
we found life
I know I talk shit
but it sound right
you say you can't
but that's affair
gotta give something
something's gotta give
I bet you love it
I went to bed
Now we went up ... cigarattes

Now I aint even gotta say shit
To make you feel alive girl you know you like that
Owohowohowowoh
Say I aint even gotta say shit
To make you feel alive girl you know you like that
Owohowohowowoh

Once I throw on this bowchickawowwow
Whatchu gonna say
You act like you gon leave
But I know that you gon' stay
Break it down dicky downdown
Girl dont even play
Once I set the mood right I'ma make you sound like

Yeah Ima ima make ya

Once I throw on this, once I throw on this
Its over girl
Once I throw on this,once I throw on this
Its over girl
