Brand new money, Brand new Boston
You act brand new, And get a brand new coffin
little bro, i gotcha, hold ya weight and ima spot cha
All you need is the combination to the locker

I'm the hip hop rocker
I'm the hip hop doctor
I'm in tip top shape
And my flip flops gucci , drinkin sake eatin sushi wit a
bunch of bad groupies
I swear im a walkin movie, u ain even gotta cue me
And baby im the shit , you aint even gotta do me
Cuz ain no one gon do, me better than ima do me, so
so ima do me
My watch say time do me, you don't kick it like a kick it
bitch I kick it, im kinda Bruce lee

Ima shooter behind the shootin , im the looter behind
the lootin
And I got so much swagger I swear swagger tryna sue
me
Your girlfriend tryna knew me , I mean she tryna to get
to know me
She said that she can do all I kinds of crazy shit to get
to know me

Ok lil twist im Kobe but im shootin like ginobli
No one after nor before me I go to earth wen mars is
boring
Wat am I work you cant afford me but your baby moms
adore me
She wanna read my tattoos like a muthafukin story

thats another fuckin story but ima get to that later
You don't know what your in for and call me mr data
Or you can call me its the greatest or for short just the
greatest
I swear I walk right on the lot and bought the longest
Mercedes

Its weezy baby hoe turn up your radio
I'm in the penthouse fukin on the paddy o

She call me daddy yo she don't wear panty hose
And wen im done watch I do magic make her vanish yo

But she was Spanish though and I like the Spanish hoes
Yea two of them and one of me is a weezy sandwich
hoe i be like damn them hoes
I am an animal I am the chief of the tribe like a
Seminole

Crazy like Anne Nicole but im expandin though
Man I swear I don't need security I need fan patrol
And I am young mula and so is twisty baby
And dont you ever forget that and dont forget the baby
gone.
