[Lil Wayne talking]

We have them bitches like it was unplugged
Its Weezy Wee, Mannie Fresh, and Unplugged
We have them bitches like it was unplugged
Weezy, Fresh, and Unplugged

[Verse 1:]

[Lil Wayne]

Give me a big fine bitch in a dress
One put them lips in effect
Suck the dick 'til the shit in her chest
You can piss on her brest
I like that shit
Project hoes like that dick, Don't bite that dick
Give me a Spanish sweet hoe
Black from Puerto Rico
Freak ho, Specialize in givin' me deep throat
Really dont care how short how plump, short or thick
Give me head, Don't care, Swallow cum don't spit
Aww shit, I like them Jamicians and them Hatians
Niggas can't take it when they shake an make me rape
'em
White girl's I video tape 'em and they enjoy it
They love it when everybody saw it
Its off tha chain
High yellow Mexican bitches they all for brain
But watch them hoes who want the change
Its not a game
Or short cuban hoe, With a fat ass though
An I'll keep the bitch just like Fidel Castro

[Chorus:]

[UnPlugged]

Tell me what you like
Let me tell you what I like
You goin' on an breakin' me off by the end of the night
You can ride with me
Cause I like ya Simmon's jeans
Ain't tryin' to make a love scene
Truly I just want you to break me off

[Verse 2:]

[Lil Wayne]

Weezy the hottest

Drinkin' Barcadi

I stream through the scene on a Lincon on Robbers

Lookin' for the finest dime, To wine and dine

Later on I'm tryin' to climb behind ya spine

Hold up lil mama, Slow ya ass down

Pick it up, Throw ya ass down

Now throw ya ass around

An scream me name

I can't hear you say it louder what (Wayne, Wayne)

A damn shame

Better watch that boy he nasty

I strap on a plastic

Break ya off like elastic

Put the dick in the middle, Make it wiggle for ya'll

Might be small, But that dick ain't little at all

I like a short thick broad, Fat ass an shit

Like Taso flip like Trina The Baddest Bitch

Matter of fact when I see her, Pull her Over like a cop

Juve coulda Backed It Up an I woulda Dropped It Like Its

Hot

Ha Ha, Ya heard me

Ha Ha, Unplugged

[Chorus]

[Verse 3:]

[Mannie Fresh]

I like them big, round, yellow and brown

A bitch that take it from the back and make the (Ugh

Ugh) sound

Now you can bounce, slide, drop, giddy up, giddy up

Now you can ride til you feel it hit a nut, hit a nut

Bounce for ya hood, Shake for ya baby daddy

Twerk for that nigga who got you pregnant in the

Caddy

Slide with the KY, Hold up ???

My bitch got thong, You bitch got drawls

My chick like to swallow, Yo chick like to spit

If yo chick was my chick I'd still love that bitch

Hold up, Chill out, Wait a minute stop

My Ginseng, Viagra, and a Strawberry pop

See I'm feelin' kinda bold, Why don't ya bring a friend

From vigena to the asshole do it again

I want a yucky down misses bout whatever

Yo mama loved a Tymer, Now you welcome

You ok Lil mama and I love that chick But deep down

inside I just love me dick [Chorus 4x]
