Hehe But i neva take a break
I neva take a break till I see heaven on the gates
I stick that metal in your face
And now they call you chrome face
Fuck with me better bring your lunch cause it gonna be
a long day
Fuck what you heard like my dick against your
eardrum.
Swagger so sharp weezy where you get the spear from
I can make you the son your momma neva hear from
let the tough talk walk and watch how your fear run.
Yea, and fuck the world is my assignment
And I promise your gonna be feel me like blind men
Roll or roll over like front wheel alignment
Tell them little rappers dont come near the giant
UGH.. now im smell'n myself
Flow sicker than shit where the hell is my health
Start'n to feel like Mac Avelly myself
Watch I put that mothafucken Mac 11 to your scalp
Yes my Maybach i swear the bitch a donkey
Had to get the long body cause the chauffer didnt want
me
Mothafucka im ill. Hold me still
Greedy, thats why my first week i got a meal
Its Young Money, open the bar
If you dont know who we is
I bet they know who we are
No Kelly just NO and LA
Come to fuck shit up like broke Levys
Gotta California bitch i swear she a medic
Cause everytime she give me head
it just get rid of my headache

Pull up and shoot like JJ Reddick
Put on my boot i think im ready
Which one of you niggas? One of you get it
Keep your head up or your beheaded. Uh-Oh
Fearless is my middle name my heart pump nitrogen
And I breath fire better stand by a hydrogen
Dufflebag big enough to fit the rifle in
I cut your ass short, call me hyphen bitch
hehe yes im focused on the figures fresh

Stay cool, but smokin like a cigarette
Its the President, sittin behind a bigger desk
Secretary with bigger breasts
Handing me bigger checks
Im going at these niggas necks
which one of you niggas next?
I put a bullet in your mothafuckin intallect haha
Call me Coo-cooness Carter
or WFB and thats for Wells Fargo...Bank
Can think im on the drank and the dank
make my mind go blank
and the drugs tryin to hit me with everything but sane
but I wont sing
I cant
I aint
Its Breaktime
