[Lil Wayne - Verse 1]:

I get head in the strangest places.  
2 at the same time, call it changing faces.  
I tell a b\*tch "we ain't trading places".  
Now stand back and catch my amazing graces  
(hehehah)  
Taste it, savour it  
Vanilla Ice Cream, she say "ooh, my favorite"  
Do you know who you playin' with? Wayne.  
Chillin' like a scarecrow, looking for some brain  
Drivin' in the range or flying on a plane  
Her head is crazy so she's insane  
She know the game  
Get in and get right  
Every bitch in the industry wanna rock my mic  
I'm hot like light  
I'm tough like Ike  
I don't fuck with dog hoes cause them hoes might bite  
Yeah, and if she follows  
In the back of my mind, I'm hoping she swallows

[Chorus]:

Carolina girls!  
Carolina girls.  
There the best in the world!  
Carolina girls!  
You're so fine girl, you're one of a kind sweet.  
Carolina girls!  
Carolina girls.

[End]
