I'm not sayin' this to shake you up
I'm just sayin' this to wake you up
It's all good when we makin' love
All I ask is don't take our love
For granted, it's granted

My love for you is real
If you don't love me somebody else will
Baby girl don't you ever get too comfortable
Comfortable, comfortable, comfortable

Yeah, to the left, to the left
If you wanna leave, be my guest, you can step
Feeling irreplaceable, listenin' to BeyoncÃ©
But okay, I'll put you out on your b'day

Hey, now if you rocking with Weezy
Bedroom in the bank, baby, we safe
I got game like E.A.
But I wanna let you play

And don't I treat you like soufflÃ©?
Don't I look at you like I see a new day?
And don't I do, what I do say?
I'm through talking so I'ma let you, Face

I'm not sayin' this to shake you up
I'm just sayin' this to wake you up
It's all good when we makin' love
All I ask is don't take our love
For granted, it's granted

My love for you is real
If you don't love me somebody else will
So baby girl don't you ever get too comfortable
Comfortable, comfortable, comfortable

Yeah, let me catch my breath
Talking 'bout leavin' and you ain't gone yet
And if you leave, leave correct
And I'ma send a jet to pick up the next

And if you leave, you're leaving the best
So, you would have to settle for less
And I am no Elliot Ness
I don't handcuff, I don't arrest

I do confess to the murders, see
'Cause under them sheets I am a mess
Yes baby, you blessed
Now, just don't jump your nest, c'mon

I'm not sayin' this to shake you up
I'm just sayin' this to wake you up
It's all good when we makin' love
All I ask is don't take our love
For granted, it's granted

My love for you is real
If you don't love me somebody else will
Baby girl don't you ever get too comfortable
Comfortable, comfortable, comfortable

Yeah, it's no sweat, no sweat
I will never 1, 2, 3, 4 get
About you, your love, your sex
You know I work you out like Bowflex

Our jokes, no stress
Love, live life, proceed, progress
Make sure the neighbors get no rest
We can get together, never disconnect, yeah

Your back, your neck
Funny how that song haven't got old yet
To us, so let's project, you stay in
Never incorrect, Face

I'm not sayin' this to shake you up
I'm just sayin' this to wake you up
It's all good when we makin' love
All I ask is don't take our love
For granted, it's granted

My love for you is real
If you don't love me somebody else will
Baby girl don't you ever get too comfortable
Comfortable, comfortable, comfortable

Word to God, my mamma gon' like this one, yeah
Yo I think everybody gon' like this one, yeah
I got one, thank you Mr. West, Carter, Dre
I'm out
