"Cool Outrageous Lovers"

(feat. Andre 3000, Common, Plies)

[Plies:]

I'm looking for the right woman to give my last name.
I wanna a big wedding with all the expensive rings,
Huge ice sculptures spelling out yo name, white doves
flying,
Tears without the pain.
I'm standing at the alter you walking down the lane
The whole church crying while the choir sing.
75 thousand dresses expensive champagne
I'm just playing baby
This is the year of the lover

[Lil Wayne]

Now I can put your ass out, ohhh
Keep running your mouth
And if yo brothers come trippin ima show em wat dese
teardrops bout
Shawty I was just playing
Ohh but I can take you to the Caymen... islands
Have you screamin' and hollerin'
We gone be making... Love on the beach
The people see what we doin
Awww they pointin' and oooo'in
Ohh but we gone keep on doing... it
Like it's just me and you and no one else around
It went down on the balcony,
And her legs are open how Sweet,
Shawty like a model out da Penthouse Sheets,
That's why I got her on my Penthouse Sheets.

[Andre 3000]

So, I typed a text to a girl I used to see
Sayin that I chose this cutie pie with whom I wanna be
And I apologize if this message gets you down
Then I CC'd every girl that I'd see see round town and
I hate to see y'all frown but I'd rather see her smiling
Wetness all around me, true, but I'm no island
Peninsula maybe, makes no sense I know, crazy
Give up all this pussy cat thats in my lap no lookin back

Spaceships dont come equipped with rearview mirrors
They dip as quick as they can
The atmosphere is now ripped
Im so like a Pip, Im glad its night
So the light from the sun would not burn me on my bum
When I shoot the moon high, jump the broom
Like a premie out the womb
My partner yellin "Too soon! Dont do it! Reconsider!
Read some litera - ture on the subject
You sure? Fuck it
You know we got your back like chiroprac - tic
If that bitch do you dirty
we'll wipe her ass out as in detergent
Now hurry hurry, go on to the altar
I know you aint a pimp but pimp remember what I
taught ya
Keep your heart 3 stacks, keep your heart
Aye, keep your heart 3 stacks, keep your heart
Man, these girls is smart, 3 stacks, these girls is smart
Play your part

[Common]

Are we living in a dream world?
Are your eyes still green girl?
I know your sick and tired of arguing
But you can't keep it bottled in
Jealousy, we got to swallow it
Your heart and mind baby follow it
Smile, happiness you could model it
And when you feel opposite
I just want you to know
Your whole being is beautiful
Im going to do the best I can do
Cause I'm the best when I'm with you
You help me to discovery me
I just want you to put trust in me
I kind of laugh when you cuss at me
The aftermath is you touching me
It's destiny to we connected girl
You and I we can affect the world
I'm tired of the fast lane
I want you to have my last name
