[Lil Wayne:]

So I met this shawty the otha day
I got her numba called her up like what cha done
She say nutin
I say what's good?
She say not much
I say guess what
She say wassup
I say I think we should hook up
She say uh...
I say what?
She say but...
I say but... ?
Why u stuck?
She say f**k
I say who?
She say not u
I say then who
She say u kno
I kno what?
U kno who
I say I do?
She say u do
I say I do but I really don't because it's u that I really
want
And we can do what u really want
Girl we grown
And if he ain't gon treat u right
Then I ain't gon treat u wrong
That's my word
And she heard so many lies
She don't kno what's true or not
Shawty like a valet service I swear she been through
alot
But I put her car in park and never let her cry alone
I listen to her heart beat because it plays my favorite

song

I can hear your heart crying out for me (crying out for me)

I can hear your heart crying out for me

(And it keeps on saying)

Come on in, come on in come on in and save me

(And it keeps on saying)

Come on in, come on in come on in and save me

(I can baby) I can hear your heart crying out for me

Baby, I should've never caught no feelings

But baby having late night conversation on your sofa

You telling me how he played you out over and over,
over and over

But I'm stuck in the middle of seeing you hurt

I know when you love him

And you wanna make it work

And I can't help but think that I knew you first

It's getting louder

Girl I can't ignore it no more baby

I can hear your heart crying out for me (crying out for me)

I can hear your heart(oh yeah)crying out for me

(And girl it's saying)

Come on in, come on in, come on in and save me (Save me)

Come on in, come on in, come on in and save me (oh oh oh)

I can hear your heart (I can hear it yeah) crying out for me

Girl it's crying it's crying

I don't wanna confuse things (no)

But I just can't keep lying to myself

When you're holding me (when you're holding me)

I can feel your pain oh baby let me be your dream

I'm the answer come see me (see me)

And u don't have to cry no more (no more)

Girl I can hear your heart baby

I can hear your heart

Girl it's crying

Won't you listen to your heart, baby

I can hear your heart crying out for me

(girl it's crying out for me)

I can hear your heart crying out for me

(And it's saying)

Come on in, come on in, come on in and save me (Save

me)
Come on in, come on in, come on in and save me
I can hear your heart crying out for me

Girl I can hear it, hear it... cryin for me, for me, for me,
for me

Ladies wave your hands in the air
Ladies wave your hands in the air

Oh baby
It's crying for me
It's crying for me for me
Oh baby
