[Lil Wayne:]

Shawty let ya hair down,
I'm a let the top down,
We can ride Around town,
Turn this bitch ta our town,
We can do it real big,
Bigger than you ever done it,
Everything you ever wanted,
I can spend whatever on it,
Baby I'm a D-Boy,
You see my duffle bag,
I don't see ya pantie-line,
Where her stomach at?,
She don't wear draws,
She like her pussy raw,
And she don't like pets,
But she cool with my dawgs,
And she cook a nigga steak,
She fix a nigga plate,
She rub a nigga back,
Like I'm in the NBA,
And she know I'm in the game,
But she know I don't play,
And she know just what ta do ta make me say "I'm
gone stay",
She know gotta work,
And she know I got work,
She buy my socks, box-ers, and t-shirts
She know gotta work,
And she know I got work,
She buy my socks, box-ers, and t-shirts
