and heres my most funniest joke....  
"im broke", haaa  
dont worry about me.

and i keep the burner on me like an ID.  
the lamborghini orange like vitamin C.  
and leave a bitch stuck like a kite in a tree.  
Weezy F. B. the money is the matter,

yeahh, hailing from the bottom of the map  
but standing at the top of the game,  
kush got a nigga looking like i could really use a nap  
but im still out whilin with the gang,  
got diamonds in my chain  
more colors than the nothern lights,  
life is a traffic jam but im on a motorbike,  
zig zag and pass these bastards laughing at em,  
i got em suicidal like them doors on the phantom,

yeah high spitter,  
nigga who you thought it was,  
bitches wanna hold me in the morning  
like a coffee mug,  
i dont try to lock em down  
cuz i am not an officer,  
i just knock them down in groups of ten,  
as if im in the lane aiming for bowling pins,  
then the style switch so quick  
have you thinking that the disc skipped,  
pimpin serious,  
make em bring it back  
like pass interference.

di-diamonds and girls,  
di-diamonds and girls,  
di-diamonds and girls,  
di-diamonds and di-diamonds,  
di-diamonds and girls,  
and girls. and girls,  
di-diamonds and...

ballin' like derek jeter  
for every reason,  
that testarossa can get ghost like they never seen ya  
the same color as sesamea,  
diarrhea,  
the pioneer,

whomever dont like the premier,

he a hermaphrodite,  
vegetaters up in my ear,  
get it clear,  
bitches want this nigga right here,  
like richard gere,  
i switch the gear  
then steer  
and disappear  
and if i ever jumped off a pier i would probably fly

di-diamonds and girls,  
di-diamonds and girls,  
di-diamonds and girls,  
di-diamonds and di-diamonds,  
di-diamonds and girls,  
and girls,  
and girls,  
di-diamonds and...
