(Laughs)

Hey ive tried
To treat you like no other , to be like no other in your
life
Hey and i'd die to see you with another
To see you with another to win your life

Hear me out please hear me out
hear me out before you walk up out the door
Hear me out please hear me out
before you walk up out that fucking door

I'll love you like no other
I'll do you like no other
I swear to god i motherfucking tried
I'll do you like no other
I'll treat you like no other
without you in my life i fucking die

i die without you i die [x2]
i die without you

ill cry until you see an ocean
im sinking to the oceans floor
to my demine
oh i'd die here to see you with another
to see you with another to win your life

Hear me out please hear me out
Hear me out before you walk up out the door
Hear me out please hear me out
Before you walk up out that fucking door

I'll love you like no other
I'll treat you like no other

I need you in my mother fucking life
I'll treat you like no other
And there wont be another
There wont be another Mr. Right

I'll die without you i die
I'll die without you i die
I'll die without you i die
I'll die

Bury me a G
Hey bury me a G when i die
Bury me a G when she cry
And I'll be looking down from the sky
Bury me a G
Hey bury me a G when i die
Bury me a G

And i, I'll swear
You Gone hear me out yeah
Hear me out
Hear me out before you walk up out my door
You gone hear me out
Dont you walk up out my fucking door

I'll love you like no other
I'll treat you like no other
I need you in my motherfucking life
I'll do you like no other
I'll treat you like no other
I promise I swear
i die without you [x8]
