(Lil Wayne)

I got ice in my veins, blood in my eyes  
Hate in my heart, love in my mind  
I seen nights full of pain, days of the same  
You keep the sunshine, save me the rain  
I search but never find, hurt but never cry  
I work and forever try, but I'm cursed, so never mind  
And it's worse, but better times seem further and  
beyond  
The top gets higher the more that I climb  
The spot gets smaller, and I get bigger  
Tryna get into where I fit in, no room for a nigga  
But soon for a nigga it be on, mu'fucka  
'Cause all the bullshit, it made me strong, mu'fucka  
So I pick the world up and I'ma drop it on your fuckin'  
head  
Bitch, I'ma pick the world up and I'ma drop it on your  
fuckin' head  
And I could die now, Rebirth motherfucker  
Hop up in my spaceship and leave Earth, motherf\*cker  
I'm gone  
Motherfucker, I'm gone  
I know what they don't wanna tell you  
Just hope you're heaven-sent, and you're hell-proof  
I-I walk up in the world and cut the lights off  
And confidence is the stain they can't wipe off  
Huh, my word is my pride  
But wisdom is bleak, and that's a word from the wise  
Served to survive, murdered and bribed  
And when it got too heavy I put my burdens aside  
So I could pick the world up and I'ma drop it on your  
fuckin' head  
Bitch, I'ma pick the world up and I'ma drop it on your  
fuckin' head  
And I could die now, Rebirth motherf\*cker  
Hop up in my spaceship and leave Earth, motherf\*cker  
I'm gone  
Motherfucker, I'm gone (I'm gone)

(Eminem)

It hurts, but I never show this pain you'll never know

If only you could see just how lonely and how cold  
And frostbit I've become, my back's against the wall  
When push come to shove, I just stand up and scream  
"Fuck 'em all"  
Man, it feels like these walls are closing in  
This roof is caving in, up its time to razor-thin  
Your days are numbered like pagers and  
My book of rhymes, got 'em cookin', boy  
This crooked mind of mine got 'em all  
Shook and scared to look in my eyes  
I stole that fuckin' clock  
I took the time and I  
Came up from behind  
And pretty much snuck up  
And butt-fucked this game up  
Better be careful when you bring my name up  
F\*ck this fame, that ain't what  
I came to claim but the game  
Ain't gonna be the same on the day that I leave it  
But I swear one way or another I'ma make these fuckin'  
haters believe that  
I swear to God, won't spare the rod  
I'm a man of my word, so your fuckin' heads better nod  
Or I'ma f\*ck around in this bitch and roast everybody  
Sleep on me, that pillow is where your head'll lie  
Permanently, bitch, it's beddy-bye  
This world is my Easter egg, yeah, prepare to die  
My head is swole, my confidence is up  
This stage is my pedestal  
I'm unstoppable, incredible Hulk  
You're trapped in my medicine ball  
I could run circles around you so fast your f\*ckin'  
head'll spin, dog  
I split your cabbage and your lettuce and olives  
I'll fuckin'

(Lil Wayne)

Pick the world up and I'ma drop it on your fuckin' head  
Bitch, I'ma pick the world up and I'ma drop it on your  
fuckin' head  
And I could die now, Rebirth motherfucker  
Hop up in my spaceship and leave Earth, motherfucker  
I'm gone  
Motherfucker, I'm gone (I'm gone)
