Milking this shit, pregnant bitch titties
Bringing home the bacon, I'm fuckin' Miss Piggy
Loaded like a semi, send me naked pictures
She knows my dick, she call that nigga Richard
Prior to me cumin, I had to stick my thumb in
Her ass one time, smell my finger, make you vomit
Flyer than a hornet, the shoe fit I worn it
She tried to jack me off, can't beat it, join it
Tunechi, poochie, that what she call it
Flag Scarlett, I killed it, mourn it
[Chorus - Tyga & (Lil Wayne)]
Faded, faded, faded
My nigga I'm faded, faded, faded (haa, yeah)
My nigga I'm faded, faded, faded (uhh)
My nigga I'm faded, faded, faded (Young Mula babyyyyyy)
My nigga I'm faded, faded, faded
My nigga I'm faded, faded, faded
My nigga I'm faded, faded
And I don't give a fuck
