[Chorus]

Mama bad,

put her out,
as a matter of fact,
take her out,
cos she's on fire,

got on my knees and asked my Lord to keep me clear
from the devil cause my girl
she's she's on fire,
yeah now everything so cool,
yeah,

[Verse 1]

I am the firespitter,
I start a fire with her,

ok her flames high but I am higher,
so high so I invite her up
then I light her up,
