Mama dont cry I know Papa gone away
Grandpa gone and Grandma ain't comin' home today
But, don't worry cuz your sons still the one though Im
under the gun, I'm aimin' for the sun
Dwayne michael junior born that, but I changed my
name to Wayne and nigga I aint gone back,
Im kinda little but I figured i'd be bigger if I sold crack
so I sold that,
O.G's from the block told me youngin hold that so I
held that,
got on Front street, and then I fell back, became well at
cookin' it til it smell flat,
vasoline it up and ship it out in jail packs,
I feel that what the teacher use to yell bout junior high
was prison high school was the bail out,
But my Mama knew her baby boy was fresher then the
baby bottom in new pampers on campers

Thats that boom boom bap bap boom boom bap , etc.

My Mama Miya ain't raised no freydo and rappers
showed me how to make more outta qualo,
Ya I gotta make that thing flow like a kalo, and keep
gettin' money like i'm on the payroll,
And if theres anybody slowin' the payroll, I gotta turn
his fitted cap to a halo,
So get adapt to the case loads of crack, the yayo the
smack, the face blows the gats,
Photogenicly expose a rat and turn em all into
tomatoes or plants,
And ya I smoke back to back to back like im on 2 tracks
but she ain't feelin' that,
I'm duckin' the county boys with they billy bats, I got my
dogs wit me lookin out for silly cats,
Ball wit me, Weezy where the city at, and if i fall stay up
cuz ima get it back

Thats that boom boom bap bap boom boom bap, etc.

People always tell me I'm heavy I say believe that,
But I don't get all full off the feedback,

I'm where the G's at, we like where the G's at?
Kick door hands high getcha knees black,
If I don't take everything then I be back,
And I'm stickin' to my word like bees wax,
He ask a asshole for these stacks,
C notes not B flats, ya understand me?
Few leaves left a solo tree standin',
Just as quick as the wind blew they went too,
I'm in to deep, my roots go deeper then a spot where
they body shouldn't sleep,
I probly shouldn't speak like that, but it be like that,
Never let a nigga wit a knife see my back, yea
I'm outta here, let me see my hat, and I rock it so low I
can't see where I'm at come on

thats that boom boom bap bap boom boom bap, etc...
