[Lil Wayne talking]

Uh-oh, uh-oh

Ya'know

Holla at 'em dogg

[Petey Pablo]

Cuz I know I ain't dreaming
I swear to God it sound like Petey Pablo on that track
with Lil Weezy
Switching it up
Fuck it put them things on the truck
What's the name of y'all jeweler tell 'em freeze me up
Hating me kinky licks talking so much
Lemme give these sons of bitches a reason to keep it
talking
You want to
You ain't built to squabble with us
I come to your show with heat homes and run on your
bus
I drink your water up
Cool off I'm leaving with something
They leaving you something crop stolen
An asshole heard it
Hip on purpose
Dre I did what you told me
I been acting like I don't hear ya but that shit been
working
Keep me a burner
Poison that I grab in the morning
Cuz I know that that's what's gon hold me down on this
earth
A real nigga trill nigga pull out and get debated
I keep waiting
I hear your name in the papers

[Hook][Lil Wayne & Petey Pablo]

They call me young as Weezy

I'm gon round up the whole uptown
We gon burn this bitch down to the ground
People understand that you're fucking with some
motherfucking soldiers
Crazy-ass Petey
I'ma tell a nigga just like this
If you want it boy you sure can get it
You ain't heard
It's Cash Money and that Carolina nigga

[Lil Wayne]

They call me gangsta gangsta
Weezy, Weezy
Lil Birdman junior
Holla at ya nigga

Squad-ad squad up throw up the motto at you niggaz

You can mind up I throw a hollow at you nigga
And I'm so high
No I'm too high
But a little work on a few blocks
And I put a few skirts on a few blocks
If you dirt you feel the burst from my fuse box
Oh lordy there nobody like me shortie
I hold Cash Money myself it's me money
Old cats wants to test come see shortie

[Hook]

[Lil Wayne]

You see it's young Wayne
Game is ashamed and they say he's a pain
He is crazy deranged
Put them blades on his thing
Just like 80 to summer
So, when the sun hit it look like Baby or something
So, when I come through the ladies praise me or
something
Like, Weezy's the man
If you be's where he be's then you leaves with a tan
Cuz he's 500 Degreez
I need a fan, whew
Cool me off wipe me down
Daddy is back in town
With the back of my Caddy slanted down
And the mack goes +black+ if you ask around

Put some hash in that grass that you pass around
Then I stash a pound by my ave with rounds
I'm a gangsta until they put my casket down
You can ask around
And they tell you like me
There ain't nobody like me
It's Weezy baby

[Hook]

[Lil Wayne talking]

Aiiyo see this is right here is Young Weezy nigga
Don't get it tangled and twisted
