Get off the corner

Uh-Oh, Uh-Oh

Get off the corner

(Verse 1)

The block is hot, The cops is swarmin a neighborhood  
heavy

While niggas off in the neighborhood sellin', With  
penitentiary chances

The dope roped up in a couple of pants is

Fiends flock like ??? come get this candy

I got Heroin bundles and them Highland O's

Plus a cooked slab, Chopped up, Dimes is swoll

If I spot the laws comin', Hey it's time to roll

Candy Carter got a line of parole, Outta control

The first fell on a Tuesday this month Oh

Sweet thang, Plus it's a sweet thing

In ??? for three days

One time you say what u mean

I gets the green

Break up the block like Maurice Green

Ya feel me, In my predicament

I'm guilty until proven innocent

Hustle ridiculous, I'm trying' to get this dope continuos

Ball 'til I fall, One thing I aint tryin' to fall

Want everybody numb like Ambasol

They heard me.....

(Chorus 4x)

Uh-Oh

There go them fuckin' Po-Po's (Uh-Oh)

And if you know like I know (Uh-Oh)

You better get off the corner (Uh-Oh)

(Verse 2)

I'm a young dogg, wildin ecstatic  
Violent on acid, them gangsta's doin' time in  
emparishment  
Role models, Keep ya cut, They drank whole bottles  
An cuss at niggas, You like fuck that nigga  
I let my pump suck track niggas  
You beef with me, I guarantee ya mams' will be missin  
With a note behind demandin' three chickens  
Or she gets it, Do not twist it  
We cut ya ???, Have ya body in three different places  
Aint nothin' gravy, But save it  
Cause I'm a rider, Hit a nigga street  
Weezy go to war like Sudam and Clinton disagree  
While I'm shitty from the weed  
Like where them bustas be  
I promise ya never fuckin' sleep, I clear the set  
Come outside late at night, To ya surprise I'm here with  
Teck's  
Two shots knock off a niggas neck, it's so realistic  
So I hope you get it, or else them shots poke ya fifty  
Be on the block 'til them Soldiers hit it  
That's when he heard.....

(Chorus 4x)

Blocka  
Me come and tear ya block up  
If you don't want no problems  
You better get off the corner

(Verse 3)

Ok I cook ya cut, An ship an move it  
I make a livin' in this crooked public distrubutin'  
Just take a peek around, Cause when blood is  
shootin'shit is boomin'  
The hottest D in town  
Lookin' for me, Have me toasted like after six  
See I crack the bricks right down to Z's  
Got pounds of trees, My blocks blazin' qp's to ki's  
Gangin in the cheese, Them bricks is comin'  
No drop sound sit on nothin'  
I don't believe I'm frontin'  
If I give you a dime, I leave with somethin'  
The big dog, Nigga I got the city under siege  
An the law don't bother me, I give the pigs a couple of  
G's  
Shiit, I hustle stronger pushin' this work through the  
streets  
I'm tryin' to deal with every nigga, Settle birds up cheap  
I'm greedy

Yes I see this money bein' made from drugs, I need it  
Twenty wrists tweeds completed  
You can't beat it  
Whatever you want, Holla at me when you need to get it  
Does anybody else?, I pay them a visit  
That's when they heard.....

(Chorus 4x)

Come here peeps  
I'm hearin that you run the streets  
You don't want beef  
Then get off the corner

(After Chorus)

Uh-Oh  
There go them fuckin' Po-Po's (Uh-Oh)  
And if you know like I know (Uh-Oh)  
You better get off the corner (Uh-Oh)  
Blocka

If you don't want no problems  
You better get off the corner

You don't want beef
