"Gettin Some Head"

(feat. Pharrell)

Ridin with a bitch I call hot mouth shelly
She pop them extasies and get that cotton mouth
heavy
I give her a bottle of water bitch break out sweatin
And then she get straight to that head like a fuckin
excedrin
I'm a fly ass nigga take a look at me bitch
Now go and tell the cops I gotta crook in my dick
Straight gutter bitch, open like a hook in the fish
I gotta lady from paris that french kiss my shit
Yea why you think I gotta tint my whips
Cause I be gettin some head, right in my shit
You say you love that woman, but that been my bitch
And if you kiss that woman, than you suck my dick
These hoes is nasty, y'all niggas is trippin
I gotta bitch with her mouth like that boy Ken Griffey
When I'm out in the streets better believe I'm pimpin;
And if you ever saw me with one of them video vixens

[Hook]

I was gettin some head..(Get gettin' some head)
Super head what's good? Super head what's good?
Super head what's good?
I was gettin some head (Get gettin' some head)
I was gettin' some head (Get gettin' some head)

Y'all know me I smoke a blunt while I'm gettin' brain
Stick my finger in her butt while I'm gettin brain
yeah I'm nasty bitch! What? Lil' Wayne!
I liked dem maked up lips and two toungue rings
I gotta say it; I'm the president I run things
All these hoes tryna save a nigga cum stains
Real talk; I get head I get head on the airplane
Bitch be climbin' all over that little chair game
I pull her hair back
she holla yeah back
I like a bitch wit some lips like a bear trap
and I don' mind goin down I take care of that
I have homie at home like where she at?

She wit me; in my bad ass ride
Givin' me a blow job like a 9-5
She said she eat her vegetables so she stay alive
So she slobbered on my knob
like corn on the cob
