eezy Weezy Weezy Weezy Weezy Weezy Weezy F Baby  
beach bum swagga  
pull up on the beach met a b-tch named Sandra  
talk that sh-t get her to my sand castle  
take her off your 2 piece leave on your sandals  
told her I'm a beast she said Si she speak Spanish  
tan butt naked make the panty line vanish  
the sun fell down and burned me on my crown  
and now my head smokin like the heat in Miami  
south beach killa she feelin me I feel her  
she say she got a man but I'm realer, I steal her

thief on the beach theres freaks on the beach  
we do it on the beach and let the water touch our feet  
thats sex on the beach  
whatcha know about it  
girls on girls I build a girl mountain  
its young money yee ain't gotta count it  
girls on girls n-gga im surrounded
