[Verse 1 - Lil Wayne]

Uh, my mind's filled with minefields  
The ashes fall, the wine spills  
The world stops, drops and rolls  
It's Judgment Day or a fire drill  
Yeah, I pour out my heart, have a drink  
They say the drunk never lie, they ain't never lyin'  
Yeah, my country tis of thee  
Sweet land of kill 'em all and let 'em die

[Chorus - Lil Wayne]

God bless America, uh  
This so Godless America  
Heard tomorrow ain't promised today  
The end of time is like a hour away

[Verse 2 - Lil Wayne]

Damn, military minded, lost it can't find it  
The stars on the flag are never shinin'  
Uh, I saw a butterfly in hell today  
Will I die or go to jail today?  
Cause I live by the sword and die by the sword  
Heard police was looking for me, I'mma hide by abroad  
Shootin' stars in my pocket, bitch sit on my rocket  
I'm wired off a socket, but still shockin'  
Everybody wanna tell me what I need  
You can play a role in my life, but not the lead  
If there's food for thought then I'm guilty of greed  
Mama said take what you want, I took heed, yeah  
My little breed, yeah

[Verse 3 - Lil Wayne]

Back to life, back to reality  
Been eating my girl and she's so sweet, got cavities  
Granted we do it for vanity not humanity  
But what's appealing to me is under banana trees, Lord  
I go so hard, I tried to pay homage but I was  
overcharged  
Ain't that a bitch? I'm just a nut tryna bust a nut in the  
nut shell  
Used to say fuck the police, now I say fuck jail

Uh, same shit, different air freshener  
I don't play boy, I ain't Hugh Hefner  
Tryna be a step ahead, but a few feet behind  
Two fingers to my head, pow, peace of mind  
I be in a cloud, cloud number 9  
And I just fucked a clock and let it cum in time  
It's a cold world, I put on a mink  
There's a chain of commands, I'm the missing link

[Chorus - Lil Wayne]

Yeah, God bless America  
This so Godless America  
I heard tomorrow ain't promised today  
And I'm smoking on them flowers, catch the bouquet

[Verse 4 - Lil Wayne]

And we live by the sword and die by the sword  
Heard police was looking for me, I'mma hide by abroad  
Shootin' stars in my pocket, bitch sit on my rocket  
I'm wired off a socket, but still shockin'  
Everybody wanna tell me what I need  
You can play a role in my life, but not the lead  
Yeah, I saw a butterfly in hell today  
Will I die or go to jail today?
