[Verse 1 - Lil Wayne]

Uh, my mind's filled with minefields
The ashes fall, the wine spills
The world stops, drops and rolls
It's Judgment Day or a fire drill
Yeah, I pour out my heart, have a drink
They say the drunk never lie, they ain't never lyin'
Yeah, my country tis of thee
Sweet land of kill 'em all and let 'em die

[Chorus - Lil Wayne]

God bless America, uh
This so Godless America
Heard tomorrow ain't promised today
The end of time is like a hour away

[Verse 2 - Lil Wayne]

Damn, military minded, lost it can't find it
The stars on the flag are never shinin'
Uh, I saw a butterfly in hell today
Will I die or go to jail today?
Cause I live by the sword and die by the sword
Heard police was looking for me, I'mma hide by abroad
Shootin' stars in my pocket, bitch sit on my rocket
I'm wired off a socket, but still shockin'
Everybody wanna tell me what I need
You can play a role in my life, but not the lead
If there's food for thought then I'm guilty of greed
Mama said take what you want, I took heed, yeah
My little breed, yeah

[Verse 3 - Lil Wayne]

Back to life, back to reality
Been eating my girl and she's so sweet, got cavities
Granted we do it for vanity not humanity
But what's appealing to me is under banana trees, Lord

I go so hard, I tried to pay homage but I was overcharged
 Ain't that a bitch? I'm just a nut tryna bust a nut in the nut shell
 Used to say fuck the police, now I say fuck jail
 Uh, same shit, different air freshener
 I don't play boy, I ain't Hugh Hefner
 Tryna be a step ahead, but a few feet behind
 Two fingers to my head, pow, peace of mind
 I be in a cloud, cloud number 9
 And I just fucked a clock and let it cum in time
 It's a cold world, I put on a mink
 There's a chain of commands, I'm the missing link

[Chorus - Lil Wayne]

Yeah, God bless America
 This so Godless America
 I heard tomorrow ain't promised today
 And I'm smoking on them flowers, catch the bouquet

[Verse 4 - Lil Wayne]

And we live by the sword and die by the sword
 Heard police was looking for me, I'mma hide by abroad
 Shootin' stars in my pocket, bitch sit on my rocket
 I'm wired off a socket, but still shockin'
 Everybody wanna tell me what I need
 You can play a role in my life, but not the lead
 Yeah, I saw a butterfly in hell today
 Will I die or go to jail today?
