(Chorus)

I'm at that good kush and alcohol
I got some damn bitches I can call
I don't know what I would do without you
Imma ball to the day I fall.
Long as my bitches love me
I can give a fuck about no hater
Long as my bitches love me
I can give a fuck about no nigger
Long as my bitches love me.

(Verse)

Pussy ass nigger, stop hating,
Don't you got that buyer,
That these hoes love me like satan
Fuck with me and get body
And all she eat is dick,
She's on the street diet.
That's my baby, with no make-up she a damn
And she the best with that head,
Even better than Careen.
I want money, she want the time we can spend
She can take it out and this somebody
So tell me if this somebody.
I fuck who I want and fuck who I don't
I had that eight one credit and that feeling mignon.
She said I never wanna make you mad
I just wanna make you proud.
I said, baby just make me cum
And don't make a sound.

(Chorus)

I'm at that good kush and alcohol
I got some damn bitches I can call
I don't know what I would do without you
Imma ball to the day I fall.
Long as my bitches love me
I can give a fuck about no hater
Long as my bitches love me
I can give a fuck about no nigger
Long as my bitches love me.

(Verse)

Real nigger, fuck these haters
These hoes got pussies like craters,
Ain't treat these hoes like ladies
Man, pussy, money, we call in
She said my dick feel like morpheme,
I hope my name tastes like salt
Fuck these niggers, she wake up with this dick
All that breakfast in bed, 69, 96.
I feel a hard time, I chest to chest with that bitch
Turn around, face down, I'm arresting this bitch.
All my bitches love me and I love all my bitches
But as soon as I cum I come to my senses
And I say these whole names but then I would be
snitching
These haters try to knock me but they can't knock me
off the hinges.

(Chorus)

I'm at that good kush and alcohol
I got some damn bitches I can call
I don't know what I would do without you
Imma ball to the day I fall.
Long as my bitches love me
I can give a fuck about no hater
Long as my bitches love me
I can give a fuck about no nigger
Long as my bitches love me.

(Verse)

I lost a few good bitches
Messed them all bad bitches
I be schooling them niggers,
Post for your class picture.
Kiss my ass if you're hating
I'm getting ass so I'm scating.
I lost a few good bitches
Messed them all bad bitches
I be schooling them niggers,
Post for your class picture.
Kiss my ass if you're hating
I'm getting ass so I'm scating.

(Chorus)

I'm at that good kush and alcohol
I got some damn bitches I can call
I don't know what I would do without you
Imma ball to the day I fall.
Long as my bitches love me
I can give a fuck about no hater

Long as my bitches love me
I can give a fuck about no nigger
Long as my bitches love me.
