(Yea!)

Yea bitch its me

Weezy F. Baby, your majesty

I'm a heavyweight like a million calories

I'm a star but I dont represent the Dallas team

I Represent New Orleans & its a zoo down there

I'm talkin gorillas, snakes, llions, bears

Im lying here

You think I'm lying? Here (Gun Cocks & Fire)

Take these shots and now you're lying here

Never had fear I'm a muthfuckin Hot Boy

Hit you with the K & make you do the Yung Joc boy

Money bill long, flow strong like Altoids

Keep a lil sugar in the house like Uncle Elroy

Hustle every day day

Payday, checks, I stub em friday, next friday & friday
after next!

Juney don't trip I got ya big bro & Mannie on the beat is
like money on the flo'!
