[Verse 1]

Chicken bone I was on
Now it's on
Death wise, bitch - yeah...
California house in the hills
Big windows, no blinds
Can't sleep past 9
We pass weed like time over here
Money over fear
Her lipstick smear
Her pussy lips pierced
Daddy gotta go after daddy get his
See ya later, alligator, cryin' crocodile tears
Don't worry I'll be back if that pussy like crack
She got a nice rack, and an apple bottom like...
I stuck up to the love
I kill that pussy but I don't go to the funeral
And I'mma wear that ass out like a uniform
So ride this dick like a horse, pony or unicorn
Boning her back when I'm in the ass
Phone in her back pocket made her booty call and say
"Hello"

[Hook]

I said "Hello"
She said "Oh shit, I ain't mean to call you"
Anyway, what you doin'?
She said "I know what you should be doing"
And could be doing
Open up your legs, walk me through it
Ain't too proud to beg - nigga, please
I feel on my head, and she fell on her knees
I feel on my head, and she fell on her knees
What you know about that?
Skate, smoke, fuck, yeah!

[Verse 2]

California house in the hills
Big windows, no blinds
Can't sleep past 9
We pass weed like time over here

Money over fear
Her lipstick smear
Her pussy lips pierced
Daddy gotta go after daddy get his
See ya later, alligator, cryin' crocodile tears
Don't worry I'll be back if that pussy like crack
She got a nice rack, and an apple bottom, bite that like
a mack
That's that computer love
I kill that pussy but I don't go to the funeral
And I'mma wear that ass out like a uniform
So ride this dick like a horse, pony or unicorn
She put her lips around a motherfuckin' hookah bong
