And we smoke that Kush
Yeah that Kush
And we ball like swoosh
Yeah like swoosh

And we smoke that Kush
Yeah that Kush
And we ball like swoosh
Yeah like swoosh
Now how you like me now

Got the hog 2-6
Press a button watch the mutherfucka do tricks
I don't know what you on but i'm on some new shit
Why your bitches on my dick like a glue stick
I got the grill I don't got to get my tooth fixed
The tooth fairy will retire if I loose it
Straight out the clip is how i spit like a uzi
Ya can't find me cuz i'm lost in the music
I'm runnin this and I can jump the hurdles
I feelin like i'm racing a bunch of little turtles
Keep a bandana like the ninja turtles
I'm like a turtle when I sip the purple

And I smoke that kush
Yeah that kush
And I ball like swoosh
Yeah like swoosh

And We smoke that kush
Yeah that kush
And We ball like swoosh
Yeah like swoosh
Now how you like me now

Buck sixty on the dash I'm a do two
Captan crunch these niggas is froot loops
Thats why your girl wanna fuck me and my group too
And i'm a make her back it up like whoop whoop

I'm the birdman jr. i gotta do coupes
I hop up out dat muthaf_cka hollin "su-woop"

Holligrove seventeen i'm from the zoo crew
You would think every animal in the zoo loose
fuck wit me
I'm on that screw juice, but i keep my shit together, not
a screw loose
Word to my gucc [gucci] boots, i'm higher than a new
suit

And We smoke that kush
Yeah that kush
And We ball like swoosh
Yeah like swoosh

And We smoke that kush
Yeah that kush
And We ball like swoosh
Yeah like swoosh
Now how you like me now

Buck foutry on a ring that i don't really wear
But i bet it light up the night like the city fair
This shit aint fair, I didn't have to go there
But all this ice got me feelin like a polar bear
I'm so aware, i'm so prepared, i'm so fly i'll take off into
the open air
Lift off, crist..al, please, crackers with cheese
Nigga please, we on J.E.T.'s
Like Curtis Morton and Whitin Breethe
I'm lightnin lightnin light the thing
Light the thing no Reggie man

You know I smoke that kush
And I ball like swoosh
You know I smoke that kush
And I ball like swoosh
