Lil Wayne:

Now shawty got a man, Oh but I got a plan yea...
Look homie I aint trying to force your hand
But imma take your girl yea yeah
imma take your girl yea

Drake:

And I can tell you, she wants me,
she wants me, she wants me, she wants me
and yes I want her too aww awww awww
Imma take your girl

Drake:

I swear to you every time I sees her, I sees ya
Keep running through my mind, Jog my memorys
amnesia
touch ya, tease ya, nervous, dont freeze up
she let me take control, I run the woman like a visa
she always run back to me saying hes a...dog off the
leash
he got this other girl Alicia, she tell me shes in hell
I tell her take a breather, Im nothing like your man
But I cant love you neither, it's wifey over bitches
but money's over her, cuz money's under nothing
my life is such a blur, its not the way it has to go
its just what I perfer, and any young money nigga I
know would concur

Weezy talk to em

and I dont own a plane but theres a mary jane and we

your Mess up
