[Lil' Wayne:]

Is that really a question

Do you really have that written down in your notepad

You should be ashamed of yourself

You smell me girl

I smell like money

See, thats what they don't understand (Tell 'em a god damn thang)

To me it was always get money or die

I come up under Birdman the Number One Stunner

You know what I mean I'm stunner junior thats all I know

you ain't real
In my eyes, and thats all that count to me you know

[Interviewer:]

So, is your music considered the voice of urban
America or America period

[Lil' Wayne:]

I mean, I would say the voice of the hood 'cause thats
who I speak for
And myself, you know what I mean, my family thats
who I represent
My hommies, my girl, my life you know

[Verse 2:]

C'mon, bang this shit nigga pump my shit
You gotta bang that wimp and go and dump that bitch

Once I got it I'mma spend it
Then its back to doing any damn thing just to get it
The re-ups be like birthday parties
No room to park the cars in the garages
So outside the cribs all you see is araxis
If I ain't say it right fuck it I ain't foreign
Feel me

[Lil' Wayne:]

And see thats where everybody get me wrong at you
know what I mean
I got that heat rock, foreal

[Interviewer:]

Why do you think other rappers lack the impact of your
music

[Lil' Wayne:]

Thats because they ain't got that heat rock like me you

They ain't spitting like me
They spitting, but, know what I mean, they ain't got
colds
