And i'll take probation  
I dont want that T.I and Vick vacation  
Private plane, pick location  
Im going to the bank to make a big donation  
Yeah, I dont stunt i stunt hard  
And if the food aint on the stove  
I hunt for it  
But in the mean time you can call me young roy  
Jones Jnr fighting the drugs and gun charge  
Shit  
Dont leave me unguarded  
And ima cheese head, where the vince lambardi  
Word to Mark Martin leave a snitch departed  
All that blood like the red tea party  
My gun go crazy like its retarded  
Red light on it like its recordin'  
I ain't recordin', im just C-4ing  
My currency foreign  
We are in a league they aren't  
Better dig in your pocket and pay homage  
Better cover your eyes, your face fallin  
Watch the game from the side im play callin'  
No i didnt say that im flawless  
But i damn sure dont tarnish  
My pistol got comments for your garments  
Im so high i can vomit on a comet  
KY no homo im on it  
Weezy F Baby new bomb bitch

You know what they say about when your palm itch  
Im gon get money, money, im gon get  
Young Money in ya tummy, and we gon shit  
And get that toilet paper quick like when bones spit  
Thats right bitch im back on my grown shit  
That Audemars Piguet  
No ice just chrome shit  
And your boyfriend softer than a foam pit  
I scream fuck the world with a long dick  
Muthafucker im me  
Yeah bitch im me  
You niggaz sweet like the pussy in which i eat  
Fireman burn down your entire street

So fly ima take off when i leap  
bye  
And you can suck my wings  
Stand on my money head butt Yao Ming  
Put your hand in the oven if you touch my things  
Im shuffling the cards bout to cut my queens  
But i aint the dealer(a)  
House full of bitches like Tila Tequila  
Im the man in the mirror  
My swagga just screamin' muthafucka do you hear  
her(a)  
Drizzy Drake 'what the lick read' (means: how are you  
doing)  
we make magic boy, Roy and sidfreed
