But i never take a break
i never take a break
till i see heaven in the gates
i stick that metal in ya face and now they call ya
chrome face
fuck wit me better bring ya lunch cuz its gonna be a
long day

VERSE 2

fuck what ya heard like my dick against ya eardrum
swagger so sharp weezy where you get the spear from
i can make you the son yo mamma never hear from
let the tough talk walk and watch how ya fear run
yah and fuck the world is my assignment
and i promise you gonna feel me like blind men
roll or roll over like front wheel alignment
tell them lil niggas dont come near the giant

VERSE 3
