But I'm thinkin' of a fasta plan, I'm tryin' to cash it in

See I know three sold, the other two a jam

I'ma sit on one and whip the other one much as I can

Hot ass fuckin' sadan, windows rolled down no sound

Them bricks got the speakers drowned

I ain't listenin' for shit but sirens

I ain't tryin' to get to my ships sunk fuck you pirates

I'll touch you cowards, it ain't nuthin' to a boss

The niggaz in the hood tryin' a floss and ya head gotta

Take a loss nigga

SS five five all black with the top chopped off dat

Catch me in the spots where the shots pop off at

I ain't tryin' to prove nuttin', I'm jus' tryin' to move some

I'm a Dboy, bitch I'm a Dboy
Ho, I'm a dopeboy, I got the scope in the rof for them

I got money in my pocket, I got money in my block
I got the money in the power, I'm gone

See we cookin' up a thousand grams
I'm in the kitchen over the stove with pots and pans
Triple color with the platinum jam
50 birds homeboy in the back of a van

A hundred grand in rubber bands
We got them birds in the coffee cans
We got the whips wit the extra clips
Got bitches outta state niggaz flippin' them bricks

Been in the caddy been in the alley
Nigga been on the block, right in front of Mrs. Gladdies
Nigga know bout hustlin', know 'bout stuntin'
Did the curb servin' shined every summer

Been on front, been in the back
Nigga roll wit duck tape and ride wit the mac
We see these haters like fuck them niggaz
We made men millionaire hustlin' our nature

I'm a Dboy, bitch I'm a Dboy
Ho, I'm a dopeboy, I got the scope in the rof for them
jackboys
I got money in my pocket, I got money in my block
I got the money in the power

I'm a Dboy, bitch I'm a Dboy
Ho, I'm a dopeboy, I got the scope in the rof for them
jackboys
I got money in my pocket, I got money in my block
I got the money in the power, I'm gone

8 AM open my eyes
Yeah, kick my bitch tell her open the blinds
And I'm, over the stove at 9
Yeah, I'm cookin' breakfast for the block then I let her
cook mine

Yeah, quick line in the bathroom before we bounce

Not me I mean her she go a day a ounce
Y'all pray for her
While I'm at the bus station in the Bentley sittin' low as I
wait for ya

I'm gettin' dough I'm a paper, boy I will take ya
For the right paper, boy I will take her
Shake her, tape her, waist up
Send her to the money she be back before I wake up

Get'cha cake up, y'all niggaz lame ducks
Ya prolly get ya game up when I'm givin' the game up
My name wayne what, hot boy flame up
You niggaz tryin' to change up and I'm gettin' my
change up

I'm a Dboy, bitch I'm a Dboy
Ho, I'm a dopeboy, I got the scope in the rof for them
jackboys
I got money in my pocket, I got money in my block
I got the money in the power

I'm a Dboy, bitch I'm a Dboy
Ho, I'm a dopeboy, I got the scope in the rof for them
jackboys
I got money in my pocket, I got money in my block
I got the money in the power, I'm gone
