Hello muthafucka, hey, hi, how you, doin'?  
It's Weezy F baby, comin' to take a shit and urine  
On the toilet bowl bitches, pussy-ass niggas  
Stompin' on this beat like a motherfuckin' sigma

Bad to the bristle, hat to the rizzle  
I'm so official, all I need is a whistle  
Bitch named Crystal, let her suck my pistol  
She opened up her mouth and then I blew her brains  
out

You ain't met a nigga like me, you probably never will  
Riders rollin' with me, like 11 wheels  
Find out where you livin', kill you in the kitchen  
The feds tryin' a clip us, but we ain't even trippin'

I'm going in, I'm going in  
I'm going in, I'm going in  
And Imma go hard, and Imma go hard  
And Imma go hard, and Imma go hard

Bitch, I'm going in, I'm going in  
I'm going in, I'm going in  
And Imma go hard, and Imma go hard  
And Imma go hard, and Imma go hard

First off, you know what it is if you heard Drake  
Makin' hoes wobble like a bridge in a earthquake  
Never see me out 'cause I live in my workplace  
I'll give you the business so button up your shirt  
straight

Look at where I landed, you would think I planned it  
I'm just doin' me and you could never understand it  
Chicks get hammered, big dick bandit  
Money flowin' like a slit wrist, no bandage

Blowin' purple clouds, nigga, I'm so sky high  
I ain't cuttin' anybody slices outta my pie  
Outta this world though, I'm so sci-fi  
And I don't sit still, I keep it movin' like a drive-by

I just tell the truth so I'm cool in every hood spot  
21 years and I ain't ever met a good cop  
Me and Wayne lean like Kareem doin' hook shots  
Cover me, I'm going in and buckin' when the hook drop

I'm going in, I'm going in  
I'm going in, I'm going in  
And Imma go hard, and Imma go hard  
And Imma go hard, and Imma go hard

Bitch, I'm going in, I'm going in  
I'm going in, I'm going in  
And Imma go hard, and Imma go hard  
And Imma go hard, and Imma go hard

Hold up, wait one motherfuckin' minute  
It's the El Capitan, I got motherfuckin' lieutenant  
If I said I'm going in, then I motherfuckin' meant it  
And if I brought it in the club, then Imma motherfuckin'  
spend it

Cost a few hundred Bens and I'm motherfuckin' in it  
No need for a room, yeah, you know I'm fuckin' in it  
She actin' like she not, but she know she fuckin' winnin'  
She said, "I seen it all", I said, "No, you fuckin' didn't"

You ever bust ten nuts in a two-seater?  
She said, "I can't feel my legs", I'm like, "Bitch, me  
neither"  
I'm going in, where should I begin?  
I don't even know, maybe where my blunt ends

And Imma be a legend even when my life ends  
And Imma a be a legend even when this life ends  
Girl, I do my thang, hop up on it, like, bem!  
Bitch, I said I'm him, so I'm nothin' like them

I'm going in, I'm going in  
I'm going in, I'm going in  
And Imma go hard, and Imma go hard  
And Imma go hard, and Imma go hard

Bitch, I'm going in, I'm going in  
I'm going in, I'm going in  
And Imma go hard, and Imma go hard  
And Imma go hard, and Imma go hard
