Michael Phelps this for you baby

I'm goin for the gold  
My heart is in control my mind is on succeed and I am  
in the lead  
Don't buy into the schemes  
The science or strategy  
Just giant and you tease brings triumph and belief  
I'm reliant on redeem inspired by the green never  
tying off of tig never defiant to my team  
Never lying on the thing until I'm lying on the thing  
hooked to wires and things I'm a die as a king  
If I don't do it now I'm a try it again and when I do  
accomplish it I'm a try it again I'm a riot insane I'm a  
lion my mane hangs down to my strings and they're  
tied to the game I stay dry when it rain I'm tried of the  
fame got everything to gain and I'm proud of the pain  
The pride and the plain the wise and the strange the  
not by the sane besides we're the same  
Whose guiding the train whose flyin the plane whose  
drivin the lane who dies when it bang who fires when it  
bang who lies in the aim two lives in the drain who crys  
when they sang you hide but you can't you hide but you  
ain't  
I advise you to thank(think) you'll find what you can't  
Revive what you taint survive what you paint super-size  
what you shrank the fries and the drank  
Admired as a saint defined by my rank combined with  
my strength my time and my length I'm a iron out the  
kinks yes I'm on the brink and in the eye of my wink I'm  
a retire in the bank yeah

And I'm no quitter cause I'm a go I'm a go I'm a go  
getta and I'm no quitter cause I'm a go I'm a go I'm a  
go getta

Nothin's what you give to me I take whatever I'm visualing now break all of the limiting now shake all of the gimicking

Yeaah I'm allergic to cheatin and I hate failure and I'm in love with achievement above and beneath it a hug when I greet it my eyes on the prize and I love when I seek it done with the speakin begun with the Preachin now pray until I am one with the deacon now play until I have won whatever we win I play until I have won and then I re-win  
Yeeaaaahhhh!

And I'm no quitter  
I'm a go I'm a go I'm a go getta  
Yeeaaaahhh  
And I'm no quitter  
I'm a go I'm a go I'm a go getta  
I'm gon get it yeah I'm gon get it yeah I'm gon get it  
yeah  
And I'm no quitter  
I'm a go I'm a go I'm a go getta  
Yeeaaaahhh  
And I'm no quitter  
I'm a go I'm a go I'm a go getta  
Yeeaaaahhh  
And I'm no quitter  
I'm a go I'm a go I'm a go getta
