ok, Boston Red Sox cap, I get baseball money
Used to do it big, but now bitch I do it Paul Bunyan
Cincinnati Reds cap, skinny jeans, black chucks
Hollywood shotgun, watch me make you act up
Saints cap, new car, paint that if it aint black
Red light, press a button, make the top think back
That was tough, so are us, no such thing as sober up
You close minded, I shoot you in the head I bet chu
open up
High yellow women with her hair to her ass
Bring her home, f-ck her like a belt den I crash,
And when it comes to head, I get dat head of the class
I got them green backs like I laid on the grass
Lucci be my n-gga, the east is up the building
Young Mula bait, the blanks already filled in
Fire alarm dick, them bitches wanna pull
Weezy baby n-gga I aint just good muthaf-cka Im..

[Lucci Lou: Chorus]
