Ok, Boston Red Sox cap, I get baseball money  
Used to do it big, but now bitch I do it Paul Bunyan  
Cincinnati Reds cap, skinny jeans, black chucks  
Hollywood shotgun, watch me make you act up  
Saints cap, new car, paint that if it ain't black  
Red light, press a button, make the top think back  
That was tough, so are us, no such thing as sober up  
You close minded, I shoot you in the head I bet chu  
open up  
High yellow women with her hair to her ass  
Bring her home, fuck her like a belt den I crash,  
And when it comes to head, I get dat head of the class  
I got them green backs like I laid on the grass  
Lucci be my nigga, the east is up the building  
Young Mula bait, the blanks already filled in  
Fire alarm dick, them bitches wanna pull  
Weezy baby nigga I ain't just good muthafucka I'm...

[Chorus: Lucci Lou]

I'm Gooooood

I'm Gooooood

I'm Gooooood

(Hehe No Ceilings)

I'm Gooooood

I'm Gooooood

[Lucci Lou:]

Yea,

Still no job bitch, but I ain't hurtin'

Phone still ringin' so I'm still workin'

Got coke for a starters drink if you still slurpin'

Even got a couple pills if your back hurtin'

Uhhh, they call me Mister Pharmaceutical,

I'm getting money every time I'm in the studio,

I'm getting money bitch even when I do a show,

I get the money even if I have to sue a hoe,

That's how the game go eastside play it cold,

We love the new coupes, we love the necks froze,

You could'ntbeat me if you could,

Weezy baby, Lucci Lou and we good...

[Chorus]
