[Bridge]

I, am not a human being!

[Verse 1]

Re-re-reporting from another world
Look up in the sky and see me courting wit a cover girl
She knows that it's bye after I'm through then it's
another girl
I can make your wife and your sister fuck your brother's
girl
Rockstar Beeotch!
Check out how we rock
And if this ain't hip-hop
It must be knee-hop
I'm higher than a muthafuckin chronic leaf tree top
I make that nina sing
Like Shoo-Dee-Doo-Dee-Wop
Wa-want the facts daddy?
Well I truly do need pop
And I get my candy from your girlfriend's sweet shop
Still get a stomach ache everytime I see cops
You better run muthafucka
Cuz we not
Yeah, you bitches better run til yo feet stop
And I'm so, fed up wit street cops
I'm colder than a ski-shop
I want it until the top
And even if I let go
I still want G-Rock

[Chorus]

I am the rhymin' oasis
I got a cup of your time
I won't waste it
I got my foot on the line
I'm not racin'
I thank God
That I am not basic

[Bridge]

I, am not a human being

[Verse 2]

Rockstar baby
Now come to my suite
And get lock jaw baby
I can knock your boots and your socks off baby
Newsflash- Your boyfriend a knock off baby
Ok, Real shit, he can get knocked off baby
I'm like the champagne too
I'm ready to pop off baby
You really lucky I don't kill
If it's not for baby
Got so much money
I can look at da cops all crazy
Ro-ro-rockstar shit for my rockstar ass
Got a tub full of money
That's a rockstar bath
Then I use more money to wipe my rockstar ass
Then I throw it in the garbage
That's rockstar trash
I wouldn't try you
I wouldn't lie dude
I must be sticky cuz dem bitches got dey eyes glued
Big beef bitch
I'm so muthafuckin Da-Mu
Starin at a mountain like, "Bitch I will climb you!"
I stand tall like I'm muthafuckin 9'2"
I scream muthafuck you snd who ever designed you
And if you think you hot
Den obviously you were lied to
And we don't die, we multiply, and den we come divide
you

[Chorus]

I am the rhymin' oasis
I got a cup of your time
I won't waste it
I got my foot on the line
I'm not racin'
I thank God
That I am not basic
Echoe:I-I-I thank God that I am not basic

[Bridge]

I, am not a human being

[Verse 3]

Um, I'm rockstar bad
Wit my rockstar glasses and my rockstar plaid
It's the school of hard rock
I'm a rockstar grad
And my kids, are bout 2 have a rockstar Dad
Now mama let dem titties bounce like rocks off glass
And if you do I'll prolly call you
Like shots off glass
Don't jump into my water
Cuz your knot won't last
I swear I'mma be like a shark
Datz rock on bass
Roc-rockstar life
Rockstar bright
And in a mosh pitt is how a rockstar fight
So jump in this bitch
And catch a rockstar right
And da cops can neva violate a rockstar's rights
Yeah, Now I'm back on my grizz
And y'allz a bunch of squares
Like a muthafuckin grid
And errbody get it
Well me, I get rid
Of he who said he did it
And den I get his
No marquee, but this is big biz
And I scream fuck it, whoever it is
Ain't a muthafucka deeper than me, BITCH DIGG!
And I thank God everyday
Dat my children are rich kids

[Chorus]

I am the rhymin' oasis
I got a cup of your time
I won't waste it
I got my foot on the line
I'm not racin'
I thank God
That I am not basic
Echoe:I am the rhymin' oasis
I got a cup of your time
I won't waste it
I got my foot on the line
I'm not racin'

[Bridge]

I, am not a human being
