I Can See You, I Can See It In Your Eyes U Don't Want  
Nobody But Me. Baby We Can Get Together And Shine  
Like A Starfish Outta The Sea. U And Me Sound Good, I  
Thinks That's The Way It's Suppose To Be (uh) U Just To  
Cold, U Suppose To Be Close To Me.

Try Me Baby, Try Me Baby  
I'm The Shit, I'm The Shit  
Love Me Darling, Love Me Darling  
Don't You, Don't You

Baby If You Got A Moment I Can Occupy Girl I'm a Get  
There And Back Back In Time. There's A Treasure In U I  
Got To Find. Maybe You Can Be My Concubine. Tell Me  
A Lil Sumthing About Your Sign, I'll Tell U A Lil Sumthin  
About The Grind. I Told Her Put Her Mouth To Mines  
And When She Did I Said...

Kiss Me Baby, Kiss Me Baby  
I'm The Shit, I'm The Shit  
Feed Me Mama, Feed Me Mama  
I Want You, I Want You

And If You Don't Mind I Would Just Like To Tell You That  
I Never Seen A Woman Like U Before And If U Don't  
Mind I Would Just Like To Tell U I Would Love To See  
This Woman Alot More.(yea)

Bless Me Angel, Bless Me Angel  
Tick Tick Tick Your The Bomb  
I Would Be Your Vietnam  
Tick Tick Tick Your The Bomb

Loocking At This Girl And Shes Looking Just Like A 100  
Dollar Bill, And For The Money People Will Steal Rob  
And Kill. So Show Me The Money, Show Me The Money,  
Cause I Got My Bills And This Girl Is Heaven So You  
Should Die To See How It Feels.
