Yea
I see you big boy
Ima kill these niggas man
Yea
Haha... straight off the block with it
Eagle street to be specific
I'm peeping at u people different
I'm pay dues, you keep the difference
I can see the end in the beginning
So I'm not racing, I'm just sprinting
Cuz I don't wanna finish
They diminish I replenish
Scientific, I'm out this world hoe
I wear bright red, like a girl toe, no homo
Fingernails dirty, I been countin dirty money since
12:30
A.m. weigh them, if they short take them right back and
spray them amen
Yea, I just do my wayne,
And everytime I do it, I do my thang
Yea believe that, like a true story
Rims big make the car look like it's two stories
If I hop out, that'll be suicide, no back seats
Call that paralyze
I don't have a spine, I don't fantisize
I mastermind, then go after mine
U see I handle mine I dismantle mine
I told her tool box, bitch it's hammertime
So excuse me as I nail em, toss and scale em, just
repel em
Ima kill em, someone tell em ima kill em
Ima fill em up, his mama can't tell em
And the doctors can't heal em
Ima kill em and yeah we sell em
I kno u smell em
If u want it, u can just yell it
Three in the morning at yo telly
Whole key go for 20, half a key go for 11
After me there will be nothing, I am legend
And I'm Will Smith
Now that's how u let the beat build bitch
That's how u let the beat build bitch

Now that's how u let the beat build bitch
That's how u let the beat build bitch
Now that's how u let the beat build bitch
Let the beat build bitch
And the beat goes boom, boom, boom,
Boom, boom, boom, boom, boom, boom, boom,
It goes boom, boom, boom, boom, boom
Now say it (yea)

Come on just a snare and the 808
Weezy baby on the mic, DOA
Ok I'd like to thank kanye
And my nigga deezle for giving me this diesel
Like a F-350, tank never empty
Damn everybody in the bank act friendly
I used to think my shit didn't stank boy was I wrong
Approving million dollar deals from my i-phone
Ima take it 1, 2 way back
Like a silk wifebeater and a wavecap
Or the wave pool it blew by you
And I waved fool as I blew by you
Hello hi u, I can buy u, but I wouldn't try u
Feed u to pyru
I know wat I'm doing, I show improvement, show
improvement
And I know just to go into it, can never amount to going
through it
But whatever how u want to do it, we can do it
Like we lay ay wait, deezle let me just get the 808...
As I hit the kill switch... now that's how u let the beat
build bitch
That's how u let the beat build bitch
That's how u let the beat build bitch
Let the beat build bitch
(Yea, yea, yea)
And the beat goes boom, boom, boom,
Boom, boom, boom, boom, boom, boom, boom
Now everybody say yea

I am the best rapper alive
I am the best rapper alive
And I will eat u alive think I'm lyin,
Then I get in a nigga chest
Like a bunch of phlegm
Like a fucking ram, ima hook, ima lamb,
Ima dump a man in a dumpster can
You ain't a soldier ask uncle sam
Hair nappy like cam
Nigga fuck yo plan fuck yo man
You aint a pimp, unless u get the same bitch to fuck yo
man and fuck yo clan

And all my bitches kno that's my plan
Oh got damn, there's my sam-ple
Play it like that's my band
Gotta get it clear
Suck my dick wit red lipstick
And don't let it smear
And I got a lot of tattoos
And I meant every tear
And I'm still on that street shit
Back to the beat bitch
That's how u let the beat build bitch
Now that's how u let the beat build bitch
Let the beat build and say (yea, yea)
And the beat goes boom, boom, boom, boom, boom
It goes boom, boom, boom, boom, boom
Now everybody say it... yea
And the beat goes boom, boom, boom, boom
It goes boom, boom, boom, boom
The beat goes boom, boom, boom
Boom, boom
Now say it (yea, yea)
