Dro fuck wit me!
Live from the 504 it's mr.crazy flow
Jumping like a bungee no rope
Even in the dungeon I glow
Even if aint sunny I glow
If it aint about money I go
Nowhere I'm nailed to the flo
Money controls where I go
It is the sail to my boat
And it's going down it's going down
Like there's a whale in the boat
See you can smell that I smoke
And yep I sip that lean
U hit me wit that combination that make my eyes bleed
Ima shark in the water yep I swim wit the big
So I don't have time to deal wit willy the squid
L-lilly pad niggas I-look at the monster
Y-you don't want to crash like la la bamba
See it's me on the interey
And my new drop is very water-melon plum
Just call it fruit punch
Ima old rapper getting new bucks
And all you new rappers your just new lunch.
Flow sick so sick need a doc yes
Creature monster like the Loch Ness
I gets hotter by the top before I sizzle to death
I just tell the clock give me a sec
In the middle of da war where my enemies at
I run in dis bitch like eric beinemy at
Cause I walk right in hip hop like where my dinner be at
I ate dat and I was like where my dinner be at
I hate dat women lie so I lie to them back
Lets do a pill I could fuck you for a hour wit dat
And to da kids drugs kill I'm acknowledging dat
But when I'm on dem drugs I don't have a problem wit
dat
And my nigga's got guns da size of towers biatch
And we aimin right at ya fuckin colla biatch pow!
