[Verse 1]

Live from the five hundred and four  
It's Mr. Crazy flow, jumpin' like a bunjinal rope  
Even in the dungeon I glow, even if it ain't sunny I glow  
If it ain't 'bout money I go, no where I nail to the flo'  
Money controls where I go, it is the sail to my boat  
And it's goin' down, it's goin' down, like there's a whale  
in the boat  
See you can smell that I smoke, and yup, I sip that lean  
You hit me with that combination, it make my eyes  
bleed  
I'm a shark in the water, yeah I swim with the big  
So I don't have time to deal with Willy The Squid  
L-L-Lilly pad niggas, L-L-Look at the monster  
Y-Y-You don't wanna crash like LaLaLaBamba  
See it's me Ronna and Terry and my new drop is very  
Watermelon plum, just call it fruit punch  
I'm a old rapper, gettin' new bucks  
And all you new rappers, you're just new lunch  
Flow sick, so sick, need a Doc yes  
A creature, monster, like the Locness  
I gets hotter by the top, before I sizzle to death  
I just tell the clock gimme a sec  
In the middle of the war, where my enemy at  
I'm runnin' this bitch like Eric The Enemy Back  
Cause everytime I hear the track I'm like a energy pack  
The intruments are crying out, where the sympathy at?  
Yeah, if you ran the money baby, him'll be back  
Whatever legends look like, bitch i finner be that  
I walk right in Hip-Hop like where my dinner be at?  
I ate that and I was like, where my dinner be at?  
I hate that women lie, so I lie to them back  
Got two bitches in my pants, quiet nod to them back  
A lot of bitches want dick, I give alot of them that  
Let's do a pill, I could fuck you for an hour with that  
And to the kids, drugs kill, I'm a knowledge in that  
But when I'm on the drug, I don't have a problem with  
that  
And my niggas got guns the size of tallers biatch  
And we aimin' right at your fuckin collar biatch, Pow!
