Heh heh heh, this is the remix,

Hey pretty lady, I am the 80's baby

Tell me that you love me,

She can't get enough...

I ran into a shawty other day, her a** swell,

Baby bust it open, lollipop was in her mouth,
She said she like my swag,
I can tell she from the south,
I beat that pu**** up,
Guaranteed to knock it out,
They don't even know me,
But I stay on my grind,
Running this shit since 1985,
Db chain, g inc on my side,
Called pup up, tell them hataz get in line,
A one way ticket to the top, I'm bout mine,
Lil weezy did it, but the remix all mine,
Gabriel antonio, they say it all the time,
Yeaaa, I blew up with I love the way you wind,
Hahahahaha,
Shawty wanna fuuuuuuuuccckkkk,
Call it making looooooovveee,
I know she wanna touch me,
Tell me that you love me,
She can't get enough...
She can't get enough...
Shawty wanna fuuuuuuuuccckkkk,
Call it making looooooovveee,
I know she wanna touch me,
Tell me that you love me,

She can't get enough...

She can't get enough...

I'm puppetmaster, got a stalker, gotta go,

So please don't lick it fast, little mama,

Lick it slooo,

And while you take it slow,

Tote that booty up some mo,

And when you finish me, next is

Gabriel antoniooooo,

She said her man can't do it like us,

She never heard the autotune used like us,

The other ni***z try, they can't do it like us,

They act like they don't see us,

We just keep it hush. hush.

So I say just,

Lick my lollipop

Baby, lick my lollipop,

Lick my lollipop,

You can lick my lollipop,

Lick my lollipop

Baby, licki licki licki licki

Licki licki licki licki, don't stop.

Shawty wanna fuuuuuuuuccckkkk,

Call it making loooooovveee,

I know she wanna touch me,

Tell me that you love me,

She can't get enough...

She can't get enough...

Shawty wanna fuuuuuuuuccckkkk,

Call it making looooooovveee,

I know she wanna touch me,

Tell me that you love me,

She can't get enough...

I make money dude, got a million coming soon,

Now errbody jockin, man I wish I was you,

My song hit number one, yea I love the way you move,

Or is how you wind, girl I forget the lines,

She said she like my money,

Man I hear it all the time,

Them hataz on point

They don't wanna see me shine,

My middle finger up, lock it up, I get mine,

But they don't even know it,

I'm the next one in line,

She said she like my hustle,

Man, I'm on my rick ross,

Puerto rican t-pain,

Yea I'm something like a boss,

Tampa bay to dade county,

That's where it's made,

My lollipop flavor, yup that pink lemonade.

Shawtttyyyy,

Shawty wanna fuuuuuuuuccckkkk,

Call it making loooooovveee,

I know she wanna touch me,

Tell me that you love me,

She can't get enough...

She can't get enough...

Shawty wanna fuuuuuuuuccckkkk,

Call it making loooooovveee,

I know she wanna touch me,

Tell me that you love me,

She can't get enough...

She can't get enough...
