## "Loyalty (Skit)"

You Know While Your Mother Is Cooking The Macaronni  
Today I Figured Id Sit Down And Talk To You Since Your  
Old Enough.

You Know Its Time That You Really Realize What This  
Family Is All About  
Cause About This Time Is When Your Gonna Be Able To  
Join In  
And Earn Some Real Money And Real Cash But Before  
You Do That

I Wanna Teach You A Little Bit About Loyalty,  
The Main Name Of This Game Is Respect And Loyalty.  
Family Is A Big Thing When We Do This Kind Of  
Business  
Everything Is With Respect And When A Family Member  
Gets Outta

Line And Another Family Dont Like It One Thing Leads  
To Another  
And The Next Thing You Know, Your Gone And Then  
Your Just A Memory Of Me,  
My Hearts Broke Then, But You Gotta Remember  
Theres Always Family And Loyalty,  
Loyalty Is The Main Thing. Obviously You Know I Dont  
Make My Money,

I Dont Make All My Cash From Uh Construction Jobs We  
Do And  
Uh Sanitation And Private Stuff Is All Earned Money  
Through The Family  
And Since Your Of Age Now I Think Its Time I

Taught You What Coming Into The Family And Respect  
Is All About.

So The First Thing You Gotta Learn Is The Name  
Respect,  
Tha Means You Dont Cross Nobody You Dont Go Over  
The Line,  
Once You Go Over That Line Theres No Coming Back  
Whether  
Youre A Member Of The Family Or Not.  
Thats When People Get Whacked And We Dont Want  
Nobody Whacked In Our Family

So I Gotta Teach You The Proper Way Of Respect.  
When Youre Earning Money, Everybody Earns,  
Everybody Eats Bread.  
Its All About Cash Money Thats What Its All About  
Making The Money.  
So The First Thing Of Business Is This, You Remember  
Your Name,  
You Dont Forgets Your Roots.  
You Never Ever Disrespect Anyone Thats Above You  
Especially Your Capo  
Especially The Big Time Guys, Those Are The Guys You  
Listen To.  
You Never Ever Disrespect Anyone Unless Your Told To  
Unless You Get The Okay.  
And If There Is No Sit Down Theres Nothing.
