I go by Weezy F. B., that's who I be
You don't wanna lose me like new I.D.
I beat up the track like the new Ali
And leave an eye black and blue and green
They tell me I can do it, just do it clean
But I'm from the dirty South, I don't know what that
mean
Eminem I am a money machine
Two girls in the bed with son inbetween
Now I treat women like a nun or a queen
If she got nice legs she can run on my team
Yeah, I stick her up like a gun in her spleen
My name is Lil Wayne and I'm a microfiend!

Hit me again!

B-back on my 1, 2, now watch me snap like a jumpsuit
I'm country like gold on your front tooth
And I work all day like the phone booth
Sometimes shit get to thick for me to come through
And I just needa relax and some shampoo
Spitta, Dizzy and Mack they with the camp too
We get money and we smoke like candles
When we do it I let her keep on her sandals
She just wanna get used like samples

And you know I jumps in it like a trampo...leen!
Wayne, the microfiend!
Hit me!

Hit me again!

Jumped out the driver lookin' like lava
Stickin' to the script like Java
Holla at ya gualla, infected with money and power
And I be the teacher like Steve Vital-ah!
Got my Vans on but these Marc Jacobs
And I'm so high, I thought I saw spaceships
A-list, number one on your playlist
Flow poisonous like snake spit
And I gotta little money where my safe is
For my babys babys babys

Babys babys babys
Babys babys babys, baby!

My name is Lil Wayne and I'm a microfiend
I said my name is Lil Wayne and I'm a microfiend
