Baby understand me now  
If sometimes you see that I'm mad  
Don't you know no one alive can always be an angel  
When everything goes wrong, you see some bad  
But I'm just a soul whose intentions are good  
O lord please don't let me be misunderstood

What's understood aint gotta be explained  
But you don't understand me so let me explain  
Stood in the heat, the flames, the snow  
Please slow down hurricane  
The wind blow, my dreads swang  
He had hair like wool, like wayne  
Dropping ashes in the bible  
I shake em out and they fall on the rifle  
Scary, hail mary no tale fairy  
All real very, extraordinary  
Perry mason facing, the barrel if he tattle  
My God is my judge, no gown no gavel  
I'm a rebel, down to battle  
Now or never, I would never???  
F\*\*king fantastic, f\*\*k if you agree  
But I don't give a f\*\*k if you see me

I'm just a soul whose intentions are good  
O lord please don't let me be misunderstood

What's understood aint gotta be explained  
So for those who understand meet Dwayne  
For 8 and a half months I gave ms. cit da pain  
Now it's young money baby, keep the change  
My mama say f\*\*k em and we the same  
So hello mothaf\*\*ka you got some sheets to change  
And aint it funny how people change like easter sunday  
You know church fit then outfit,  
Bright pink and green chest look house lit  
Bright pinky rings but that aint about this  
What you bout bitch  
Excuse my french emotion in my passion  
But I wear my heart on my sleeve like it's the new  
fashion  
What are you asking, if I don't have the answer

It's probably on the web, like I'm a damn tarantula  
But I know you don't understand, cuz you thought lil  
wayne is weezy  
But weezy is wayne

I'm just a soul whose intentions are good  
O lord please don't let me be misunderstood

I was watching t.v. the other day right  
Got this white guy up there talking about black guys  
Talking about how young black guys are targeted  
Targeted by who? america  
You see one in every 100 americans are locked up  
One in every 9 black americans are locked up  
And see what the white guy was trying to stress was  
that  
The money we spend on sending a mothaf\*\*ka to jail  
A young mothaf\*\*ka to jail  
Would be less to send his or her young ass to college  
See, and another thing the white guy was stressing was  
that  
Our jails are populated with drug dealers, you know  
crack/cocaine stuff like that  
Meaning due to the laws we have on crack/cocaine and  
regular cocaine  
Police are only, I don't want to say only right, but shit  
Only logic by riding around in the hood all day  
And not in the suburbs  
Because crack cocaine is mostly found in the hood  
And you know the other thing is mostly found in you  
know where I'm going  
But why bring a mothaf\*\*ka to jail if it's not gon stand  
up in court  
Cuz this drug aint that drug, you know level 3, level 4  
drug, shit like that  
I guess it's all a misunderstanding  
I sit back and think, you know us young mothaf\*\*kas  
you know that 1 in 9  
We probably only selling the crack cocaine because we  
in the hood  
And it's not like in the suburbs, we don't have what you  
have  
Why? I really don't wanna know the answer  
I guess we just misunderstood hunh  
You know we don't have room in the jail now for the real  
mothaf\*\*kas, the real criminals  
Sex offenders, rapists serial killers  
Don't get scared, don't get scared  
I know you saw one them sex offenders papers  
Don't trip he live right on the end of yo block,  
Mhm yea, that nigga live right down the street from

you,  
Sex offender on the level 3 drug,  
Convicted ex-con  
Yea check em out  
Watch you got, you got a daughter, son, what you got?  
Hahaa yea, you know what  
That's the good weed,  
You know what, I have a f\*\*king daughter  
You understand me and why the f\*\*k would you bring  
my neighbor to jail  
Jus because the reason why he live next door to me,  
ain't the reason I live next door to him  
Meaning he didn't rap his way to my f\*\*king  
neighborhood  
He sold crack cocaine to get to my neighborhood  
You move him out bring him to jail for life  
And then you move in with a sex offender  
Ahaha, hey give me a paper,  
Ahaha is that a misunderstanding because I didn't  
understand it  
Another thing, let me take my glasses off  
Cause I wanna see the reaction on there faces when I  
say this  
Ha-ha, this is why I don't respect you and nobody like  
ya  
See you're the type that gets off on getting on other  
people  
That's not good  
No homo,  
Rather unhuman, I should say  
I mean giving the fact that humanity were a good  
humanity  
Rather to me is helping one another  
No matter your color or race  
But this guy and people like him, they'd rather  
speculate before they informate  
If that's a word, ha-haahha you know spec before check  
Anyways meaning I'd much rather  
You talk to me first and see if you can lend an opinion  
before you link one  
Just my thought of good humanity Mr. Sharpton, hold  
on I aint finished with you man  
Na f\*\*k that shit Mhm hold on, um,  
Mr. sharp ton and anyone like you, you don't know me  
So if your not going to try to then what you say or think  
about me  
Are what ever I do is totally Casper the friendly ghost  
To me and it doesn't make you a good person to  
criticize before you improvise  
Doesn't necessarily make you a bad person either but  
the characteristics for heavenly into bads way, ahah

but since I am human I am good and bad, as well but I  
try my hardest to stay good  
Threes other things I do and say may be bad or just not  
to good  
But I do try, so with that said I don't vote you, I mean  
your only human, good or bad  
But I also don't respect you and I don't care if that's  
good or bad  
You see you are no MLK you are no Jesse Jackson, you  
are nobody, to me, your just another don king, with a  
perm, hahah just a little more political, and that just  
means you're a little unhuman  
Then use humans, and now let me be human and say,  
f\*\*k Al Sharpton and anyone like him  
F\*\*k if you understand me  
I love being misunderstood  
Haha why?,  
Cause I live in the suburbs  
But I come from the hood  
Bring the hook in.
