(Verse 1)

Ahh,
This time Ima give you the truth
the truth and nothin but the truth
So help me God, now bring it on come on
You little suckas, bring home my brass knuckles and
beat the odds?
Keep me high baby keep me hot
Gravity has been re-defined
Saw you in my concert waiting in line
I was on my tour bus taking my time
Then I hit the stage after that I got paid
Then I hit the presidential suite and got laid
Women in the thub everytime y bathe behind my
shades

(chorus)

And Take my pictureee
And hang it up against your wall, wall, wallll
Find me on top of your sisteeeer
???
For the most wanted rockstarr
The most wanted rockstar
The most wanted, the most wanted rockstar

(Verse 2)

Im so at ease, no enemies, Please

An alien tell Â'em suck my antennas
Ima mothafuckin winner, eat losers for dinner.

She can be my fairy, she can be my fuckin adversary
But if she talk she gonÂ' have to get buried
Looked in the mirror see im gettin neara

Shut up and ride bitch!

(Chorus)

Take my pictureee
And hang it up against your wall, wall, wallll
Find me on top of your sisteeeer

For the most wanted rockstar
The most wanted rockstar
The most wanted, the most wanted rockstar
