In that red and yellow thang old skool Atlanta Hawk
Like I'm from Colli Park but I'm from Hollygrove
Now all my bloods scream Su-Woop and Da Da Doe
I know my role I play it well
And I weight it well on my libria scale

[Verse 3: Jay-Z]

Yea I'm right here in my chair with my crown and my
dear

Queen B which I share my time with my air
Yung Carter go futher go farther go harder
That not why we came if not than why bother
Show no mercy to the Marci Alagos
Far from being the bastard thae Marcey had fathered
Now my names being mentioned with moders
The Bigges and the Pacs the Marleys and the Marcus'
Sorry got me a Morry tail cocktail flow
Even if you box well can't stop the blow
Ka-bow the rock boy in the room
The dope boy just came off the spoon
Also I'm so fly I'm on auto pilot
While guys just stare at my wardobe
I see your rolls that right plural
I took so much change from this rap game
It's your go

HEY MR. Carter

[Verse 4:]

It's my go
And I'm a go so opposite off soft
Off the ricda had to come off man and just savage
Far from average above status kwow
Flow so pro I know I ride slow and win I past
They say wat up killer Man stop bringing up my past
And next time you mention Pac Biggie and Jay-Z
Don't forget WEEZY BABY

[Chorus:]

[Bridge: over chorus]

And I swear to everythang when I leave this earth

It's gon be on both feet neva knees in the dirt
You can try me f*cka but win I squeeze it hurt
Yea we lose to lives yours and mines
Gimme any amount of time don't let Mrs. Carter grieve
At the funeral parlor dripping tears down my sleeve
Gimme any amount of time don't let Mrs. Carter
grieve...
