Yung (repeated x8)
Mulah bayy bayyy!
Ayyy, ayyyy, would the grown and sexy say yeahh

Shawty let ya hair down
Ima let the top down
We can ride around town
Tell them bitches, our town
We can do it real big
Bigger than you've ever done it
Everything you've ever wanted
I can spend whatever on it
Baby, i'ma D boy
You see my dufflebag
I don't see ya pantie line
Where her stomach at
She don't wear drawls
She like her pussy bald
And she don't like pets
But she cool with my dog
She cook a nigga steak
She fix a nigga plate
She rub a nigga back
Like i'm in the NBA
And she know i'm in the game
She know i don't play
She know just what to do to make me say "i'm gon'
stay"
Cause she know i gotta work
She know i got work
She pack my socks, boxers, and tshirt
She know i gotta work
She know i got work
She pack my socks, boxers, and tshirt

Thats my mothafuckin' nigga
Yeah, that's my nigga
That's my nigga
Girl, you my nigga, you my mothafuckin' dog
Girl you my dog
You are my cutie, my beauty

And i am a mothafuckin' beast
Yes, i'm a beast

So if i call you my bitch
Please don't take it wrong
And man i miss my dog
So you know i ain't takin' long
I love it when you scream that "i can't take it, it's too long"
See my baby hold me down
She never hold me down
Yeah thats my body, better hold that nigga down
Best shoot that nigga up
Then we go home and fuck
That's my dog, she like it rough
That's my dog, ruff ruff

She know i gotta work
Cause she know i got work
But she buy my drink, my pills, and my purp
And she know i gotta work
