*[Chorus: Lil Wayne]*

Pop that pussy and shake that ass  
And no ceilings  
And no ceilings  
And no ceilings  
Yeah,

Ok,  
Pockets on he-man,  
I get it if I demand,  
Man I do it big, to me you niggas wee man,  
Bout to go pecans, I beat it like 3 hands,  
Weezy in the building you other niggas freelance,  
I don't give a f-zzuck,  
I done got my shit up,  
I gotta do a bit, that's push ups, sit ups,  
fuck with young money bitch nigga get hit up,  
nigga fuck pay even fuck wid us,  
I'm a eastside nigga yeah eastside nigga,  
Where the muthafucking beef gets deep fried nigga,

You's a bitch,  
No U-N-I-T-Y nigga

Whoever don't agree come and see my nigga,

Young muthafucking M-O-N-E-Y...

*[singing:]*

Hate no, hate no  
I don't wanna hate no, hate no,  
But they keep pushing me, pushing me  
But they keep pushing me, pushing me  
I don't wanna hate nobody tonight,

I don't wanna hate nobody tonight,  
But they keep pushing me, pushing me  
Everyday pushing me, pushing me

*[Chorus]*

*[Lil Wayne:]*

Ok, Cool n Dre,  
This is no ceilings,  
I do this all day I got bars, no railings,  
Looking for a bitch for some sexual healing,  
Open up her mouth and she catch it like Braylon,  
Young Weezy F, the F is not for failing,  
Swagger just dumb call it Sarah Palin,  
If you niggas fly then I must be para-sailing,  
We are not the same, I'm a muthafucking alien,

*[Birdman:]*

Back on my saddle with the tool and my hand  
Uptown real nigga bitch landed in the sand,  
Back home nigga did it for the land  
For the grand with the money with the tool in my hand  
High life, give a fuck about your stripes homey,  
Killer kill, kill a spend your... daily homie,  
Turn left get your switch turned of nigga,  
Turn right and get your shit took off nigga,  
fuck cause we higher than we ever been,  
More loaded, white doves, burning hundreds,  
Overseas nigga pitching on the top floor,  
High floor situation from the bottom floor,  
Born in the middle, shining like a diamond,  
Red diamonds, big diamonds how we roll nigga,  
24's fucking all these hoes nigga,  
High life getting money then we go nigga,

Like father like son boy...

*[Hook]*

*[Chorus]*
