(background) Oh I.

Intro: I feel like Rocky, right before he fucked the Russian, in like the 8th or 9th, 7th or 8th 9th round or something. That's me.

Verse:

Woke up this morning, with a naked women, like I was making a porno, but I, but I I.

I can't remember how she made it to my bed

I gotta figure it out before she wake up in my head.

Get my shit I gotta get her I gotta get her outta here

I swear the game play was smart, suppose to be in and out of here

but it didnt go that way so I called up Spitter,

cause he liked her anyway when he saw me with her.

Thats how we do, how we did it how we get her, young money in this bitch, fuck them hoes, fuck them niggas. yeah

and I know that they cant fuck with me, because of the, way I am so comfortly, running the, fucking G.

Youngin hold down the place, running round the city buying everything you niggas make,

niggas cant fuck the way I rock

Thousand dollars on the sock

Hot boy get up bitches

Outlawed....

So motherfucking fly, that is so motherfucking lie

I know Jesus is watching this session looking at me like

Thank you Lord, you know I try so hard

so if they try me lma spank em for it

Now Im all up in her mouth like a cancar sore

I two dollar drink a whore, You mink the whore

you like to link the whore, I think of her, as a whore

Like what the fuck you thinking for?

What is wrong with that mind of yours?

She's a dinosaur,

she's a Teranosaurus Rex for sex and

Fly as a Terracdactal, I very spectacular

every move is emaculate though magnificent

Living it up and giving my ten percent to the man up

above

Thats probably why I am significant  
aint gotta tell you about how I finish it  
you can look in my face and experience it you bitches.  
Never been with that bullshit so dont you bring it  
around me  
Im from tear it up avenue right off of get down street  
you know me I say  
Never hesitate, always had a pistol, never been afraid  
to show  
Let it whistle like du du du dudu, du du du  
Still creepin on my side, will kill you if you try  
give my money to my momma she will give it  
somebody  
thats my little biddys brother, hes a bad motherfucker  
Im smart hes tougher who will survive?

Chorus

I want to fly like a boy in the sky  
I can buy anything that money can buy  
oh I  
I can turn a knuckle or you and homies retired  
I can do just anything whatever my soul desires
