Ay man, I'm, I'm walkin' on south beach the other day  
right  
You know tha memorial day weekend shit thang  
Yeah, so they got a nigga come up to me with a video  
camera right  
And you know muthafuckas come up to me  
With cameras everyday so I don't be trippin'

All day everyday you know what I mean?  
So you know what this nigga asked me?  
"Yo can I battle you on camera?"  
I was like dawg how much we gon' make fo' this?  
You, you really think, yo, yo

For all you niggas thinkin' y'all could see me and think  
it's really a game  
'Cause I'm from tha south or I don't really be boastin'  
And braggin' 'bout that flow and shit  
Dawg I got this shit dawg, you niggas think you could  
fuck
